

12 March 2021

Dear Parent/Carer

Your child has been provided with a Self-Test COVID 19 pack. This will allow your child to test themselves at home twice a week. We are asking that students complete a test each Monday and Thursday morning **before** they come into school. Test results take 30 minutes, so it is important that there is time allocated for the results to be produced before a student attends school.

The booklet provided with the test explains the testing process and also provides additional guidance on how to report your result to the NHS.

In addition to reporting the test result to the NHS we would like you to complete the following form to report the result to the Academy. A link to this form can also be found on our website and social media.

<https://forms.gle/yh4x25ffn7q98YCr7>

Should you have any questions. Please do not hesitate to contact Miss Green via the school reception or by emailing s.green@riverside.outwood.com

Yours faithfully

Melissa Brant-Smith
Principal
