

2 March 2023

Dear Parents, Carers, Students, Community Members, and all other Stakeholders.

Thank you to everyone who took the time to be part of our consultation on the reduction in Pupil Admission Number (PAN) temporarily from September 2023.

I am pleased to say that 90% of the feedback was strongly in support of the proposal and fully appreciated the circumstances for the decision.

Only one comment was received in relation to a concern about health and safety of the increased number of students in our current accommodation.

I would reassure you that the proposal to reduce the PAN until the new building is completed and provide additional accommodation in 2024 fully addresses the concern raised about health and safety of increased numbers. The safety of our students is always a priority.

All admissions will follow the published Admissions Policy that can be found on our website.

As we progress the build of our new site there will be opportunities for students and staff to be involved in some aspects of the process and the plans and building milestones will be shared regularly.

If you have any questions, comments or other feedback, please contact us on enquiries@riverside.outwood.com

Yours faithfully

Mrs M Brant-Smith

Principal
